**CALENDAR
CROWDED****Many Cases in Circuit
Court.****TERMS BEGINS ON MONDAY****Civil Suits Burden the Bench but
not Many Criminal
Complaints.**

On Monday next the November term of the Circuit Court will convene, with Judge Humphreys as presiding Judge. The calendar of the term was issued yesterday. There are upon it 240 cases, and as Judge Humphreys is now alone on the bench it will prove utterly impossible to clear the calendar during the time prescribed by the statute.

There are twenty-seven criminal cases on the calendar, most of them being minor cases appealed from the District Court. The most important is that of Charles Downing, who is accused of murder. The jury-waived calendar includes thirteen cases, and on the civil calendar there are 175 cases. On the divorce calendar there are twenty-five cases.

BISHOP ESTATE REPORTS.

Three reports on the accounts of the trustees of the Bishop estate were presented in the probate division of the Circuit Court by P. D. Kellett Jr., master in chancery, yesterday, and the accounts were reviewed by Judge Humphreys. The last of these covered the period from June 30, 1899, to December 31, 1899, and was called a partial account. In accordance with Mr. Kellett's recommendation Judge Humphreys ordered the trustees to file within thirty days, a detailed account of all moneys received and expended, and that all other matters raised by the report be deferred until this order was complied with.

BRUNS ESTATE.

Marie Bruns, executrix of the estate of John H. Bruns, yesterday filed her accounts and application for discharge. She charges herself with receipts of \$6,557.50, and admits expenditures of \$6,066.10, leaving a balance of \$491.40. With the petition is an inventory showing that the estate is possessed of property valued at \$13,991.40. This includes real estate at the corner of Vineyard and Nuuanu streets valued at \$6,560, a note and a mortgage of \$8,000, for \$6,500, cash amounting to \$491.40, and household effects valued at \$500.

MUST PUT UP CASH.

Ho Sun, guardian of the estate of Kan Yee, a minor, was ordered to deposit the sum of \$1,912 in court at once by Judge Humphreys yesterday. This, it appears, is the amount of the estate, and it consists of unsecured notes of a number of Chinese. The bondsmen of the guardian have left the Territory, and Judge Humphreys ordered him to put up once a new bond in the sum of \$4,000.

GUARDIAN DISCHARGED.

Wong Kwai has been discharged by Judge Humphreys from further duties as guardian of the estate of C. Alai. The final accounts, which were presented May 23, 1899, were approved. They showed receipts of \$1,256.50, and expenditures of \$1,257.57, leaving a balance of \$48.93.

THE SALT WAS SEIZED.

Lee Lung, appointed temporary administrator of the estate of Allora, was discharged by Judge Humphreys yesterday. It appeared that Lee Lung was appointed for the purpose of caring for twenty tons of salt which was being damaged for want of administration. It appeared likewise that this salt was distrained for rent of the property on which it was situated, so there was no further need of a temporary administrator.

WITHDRAW FROM SUIT.

Kinney, Ballou & McClanahan have withdrawn from appearance as attorneys for the defendant in the divorce suit brought by Rose Miner against Dr. Frank L. Miner.

TO SELL VALUABLE LAND.

John Ena, guardian of the property of Carl J. Hotze, a minor, was authorized yesterday to sell a piece of property lying on King street, near Victoria street. The owner lives in Germany and does not expect to return to the Islands.

LAZARUS ESTATE.

Kauimakele Lazarus, widow of J. Lazarus, whose estate has been in the Circuit Court for some time past, filed a motion yesterday asking for the distribution of the funds of the estate, which were recently deposited in court by J. S. Walker, executor of the will of the deceased.

SHOOTING SEASON DUL.

The Migratory Plover Have Come From the Arctic

The recent rains have practically put a stop to all kinds of shooting and reports from the fields of action are, in consequence, few and far between.

The most notable happening of the week is the arrival of the main body of the migratory plover which arrive here every year about this time. No one has given a really satisfactory reason for the migration of these birds. Some say that it is a matter of instinct; others that it is a matter of example, the younger birds learning from the older; still others that it is largely a matter of search for food.

The last-named reason will hardly hold in view of the fact that often birds disappear when food conditions are seemingly perfect. Notwithstanding naturalists have studied and written much on the subject, the real reason remains a mystery.

Some extraordinary stories are told of migratory birds. It is said that the Virginia plover flies to the height of two miles and at a speed of two hundred and twenty-five miles an hour. It is reported that a black-cap warbler arrived at a certain bush in the North in three successive years at half-past 3 o'clock of the afternoon of the same day.

On account of the unusual wetness of their feeding grounds, the plover will very probably make a longer stay this year than they have during the past two or

three seasons when the prolonged drought compelled the swamp-loving migrants to travel further in search of congenial turning places.

Judge Hartwell Resumes Practice.

Judge A. S. Hartwell, who has been for some time out of practice, will soon resume the practice of law. Judge Hartwell has been in the practice here for nearly thirty years and many of the most eminent members of the bar and bench of the Islands began the study of their profession in Judge Hartwell's office. The Judge will occupy his old offices over Bishop's bank, the locality in which he began in 1874 when the building was occupied by the Hoffman drug store.

A VILLAGE BLACKSMITH SAVED HIS LITTLE SON'S LIFE.

Mr. H. H. Black, the well known village blacksmith at Grahamsville, Sullivan county, New York, says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by Benson, Smith & Co., Ltd., wholesale agents.

**THE PEARL CITY
CEMETERY OPEN**

Funeral Trains Will Run Daily to the Beautiful New Graveyard.

The Pearl City Cemetery is now open for interments. The site comprises about thirty acres of choice land with forty-nine acres more available land adjoining, and is most advantageously situated, being directly on the line of the railroad and extending back to the Government road.

Beautiful Remond Grove is the entrance, a side track being now laid there, upon which the funeral trains will run into the grove. Plans for a large chapel, waiting room, receiving vault and superintendent's office are now in the hands of the architect, who promises a beautiful effect.

This is the property of the Hawaiian Cemetery Association, a corporation recently formed, which is expending a large sum of money in beautifying the grounds, and has left nothing undone to insure the success of the cemetery from every view.

The cemetery has been so planned as to preserve the distinction between the different religious denominations and nationalities.

A special train composed of appropriate funeral cars will leave Honolulu every day at 2:15 p. m., the charge being \$1 for the corpse and 50 cents for each mourner for the round trip.

The price of graves ranges from \$10 up, according to location and size, and includes all cemetery charges, there being no other taxes or assessments.

EVERY DAY FA

Honolulu Produces Its Share—This Comes From Kawaiahaeo

What makes anything a fact? Isn't it an occurrence of statement that can be proven true and correct in every particular? What constitutes conclusive evidence to the mind of a Honolulu citizen? Is it the statement of some one made in Texas or California? We think not, but when some of our own people make a statement and it is indorsed by many, there can be no question about that. Under these circumstances we call them facts, and they are every-day facts, because they are occurring every day. Don't take our word for what is said. If you are not satisfied, ask them; people don't make such assertions without good reasons.

The Rev. J. Nua of Kawaiahaeo informs us:

"I suffered from kidney trouble, which was, I believe, caused by my lifting heavy weights whilst young. Pains in the small of my back were one of the symptoms of my complaint. My trouble extends back to the time when I was 25 years of age, and as I am now 49, that is a considerable period. During all this time I was subject to pains in the back. They continued despite the fact that I consulted several physicians and took numerous remedies. No relief thus gained can be compared to the benefit obtained from using Doan's Backache Kidney Pills. I have got on wonderfully well since taking them. I am quite satisfied with the result, and shall always have some of the pills by me, even when going from Honolulu to other missionary fields in the South Pacific."

There is no other remedy like Doan's Backache Kidney Pills for kidney complaints, including backache.

It is important to get the same pills which helped Mr. Nua—DOAN'S BACKACHE KIDNEY PILLS. Therefore, ask for Doan's Backache Kidney Pills.

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes for \$2.50), or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.
